(III)

I want to put a very simple and small amendment in 83-Phulparas assembly constituency of Darbhanga Dist.

That G.P. No. 14 Lakshmipur (Mansapur) may kindly be written in place of G.P. No. 15 Nahraha of 84 Laukaha constituency so that the inclusion of G.Ps. Nos. 14, Lakshmipur (Manasapur) and 17, Rema Nagar to Phulparas constituency will be proper.

IV

I do not agree with the re-draft proposal with respect to constituency No. 143 (Sarah) in Santhal Parganas District. We had already given our suggestions that the GPs. of Jamtara Anchal should go to 147 (Jamtara) & some GPs. of Madhupur should go to Sarah. My note of dissent with regard to the same may kindly be noted and published in the official gazettes for public information.

I do not agree with the proposal of the Delimitation Commission carved out in respect of Sita nathi Sub-division. Sitamarhi P.S. is comprised of three anchals namely Dumra, Riga and Bathnaha. This Sitamarhi P.S. had two seats in the past. Its total population is 2,99,014 which justified two seats even at present but in Commission's proposal only one seat of its own namely 69 Sitamarhi has been proposed and part of Dumra has been added to Ranisidpur and the entire Bathnaha anchal has further been split up into 70 Majorganj and 71 Bajpatti. Dumra is a Notified Area and as such its entire rural population should remain within old Sitamarhi Police Station and two seats should be carved out with three anchals and two municipalities namely Sitamarhi and Dumra as shown in below:—

(1) Bathnaha

(2) Riga (P)

Dumra

This will be on lines of existing constituencies.

As regards the assembly constituencies of Darbhanga district I send a minute of dissent to the 77-Harlakhi, 78-Khajauli and 79-Jayanagar (SC) and recommend that the draft proposals for these constituencies should be retained, and they should be as follows :—

77	Harlakhi	<i>Madhubani Sub-division</i>			
		Harlakhi Anchal	67,354	8,302	
		Besopatti Anchal	60,564	8,819	
		<i>Khajauli Anchal</i>	<u>27,300</u>	<u>3,364</u>	
		GPs 1. Malmal	9,398	906	
		2. Porsaulia	3,487	324	
		3. Kalikapur	6,878	461	
		4. Narar	7,537	1,673	
			155,218	20,485	
				(13.20)	
78	Khajauli	Babu Barhi Anchal	93,955	12,711	
		<i>Khajauli Anchal</i> (excluding GPs. 1 to 4).	<u>61,851</u>	<u>9,116</u>	
			155,806	21,827	
				(14.00)	
79	Jainagar	Jainagar Anchal	76,362	9,782	
		Ladania Anchal	<u>59,871</u>	<u>8,982</u>	
			136,233	18,764	
				(13.77)	

Jainagar and Ladania Anchals should be one compact constituency. No part of Khajauli Anchal should be attached to it.

My note of dissent may kindly be noted with respect to the constituency No. 130 in the district of Purnea. This constituency is called Jokihat. It comprises in the redraft also with Jokihat Anchal in Araria sub-division and Baisa Anchal in Sadar sub-division.

If Baisa of Sadar sub-division is tagged to Jokihat then the Candidate and the Workers have to cover a distance of 100 miles which will be most inconvenient besides Sadar sub-division is also touched. We had placed an alternative proposal suggesting Jokihat and Plassy to be added

together. In short we had suggested that existing constituency may be maintained with Plassy its name and Jokihat should be with Plassy. Our alternative proposal is before the Commission which was placed at Delhi meeting in the month of August. I had insisted and reiterated the same view at Patna meeting. In Purnea District consequential changes are to be made.

Shree AZIMUDDIN, M.L.A.

of the constituencies concerned had also ventilated their view-points by filing written applications. I still hold the same view and request for the alternative proposal to be adopted. In the above light my note of dissent may kindly be noted and published in the Gazettes.

The names of the Parliamentary constituencies are also given.

A minor amendment should be made in the parliamentary constituencies of 16-Darbhanga and 17-Rossera (SC) i.e. 86-Biraul assembly constituency should be included in Rossera parliamentary constituency and 93-Hayaghat (SC) should be included in 16-Darbhanga Parliamentary constituency. It will keep the two parliamentary constituencies akin to the existing constituencies, that is, 16-Darbhanga will have almost the same area i.e. five out of 6 assembly constituencies will be the same except 87-Baheri. Similarly, Rossera Parliamentary constituency will also have four out of six assembly constituencies except Kalyanpur and Warisnagar. This may also be published as a minute of dissent.

About the reservation of Harijan Parliamentary constituency in Saharsa District you will kindly recall that you gave an alternative proposal that instead of Chhatapur assembly constituency of Saharsa district, the assembly constituency of Alumnagar may be attached to Purnea district. That was the basic point. Kindly refer to the last Delimitation of Constituencies Order and you will find that Saharsa was joined at that corner with Bhagalpur. We will very much like the Commission to reconsider the question as we find the district percentage of Saharsa is higher than Purnea also.
